Welcome to the 3rd Nordic Diabetic Foot Symposium

It is with great pleasure that we welcome you in Helsinki for the 3rd Nordic Diabetic Foot Symposium.

The symposium is organised by the Nordic Diabetic Foot Task Force: A network of national and international healthcare clinicians aiming to promote the systematic implementation of IWGDF guidelines for diabetic foot care in the Nordic countries.

The biennial Nordic Diabetic Foot Symposium is a natural and relevant activity for the Task Force: a prime scene for sharing knowledge of best practices in diabetic foot care and coordinating the joint effort of promoting guideline implementation in each of the Nordic countries.

In 2018, we are very pleased to welcome you to the beautiful capital of Finland, Helsinki. Helsinki is known for its architecture, design and location by the Baltic Sea.

Just like the 1st and 2nd Nordic Diabetic Foot Symposium, we have planned a programme composed of both plenary talks, meet-the-expert sessions and hands-on workshops in order to provide a forum for dissemination of high level scientific evidence as well as local examples of best practice diabetic foot care. Speakers, primarily from Nordic countries, but also from other European countries will share their knowledge with us.

We would like to express our gratitude to the companies that have helped to make the 3rd Nordic Diabetic Foot Symposium possible, and we invite you to visit their stands during the breaks.

We look forward to spending two interesting days with you.

On behalf of the Nordic Diabetic Foot Symposium
Organising Committee,

Vesa Juutilainen, Finland
Chair Nordic Diabetic Foot Symposium 2018

Klaus Kirketerp-Møller, Denmark
Chair of the Nordic Diabetic Foot Task Force

General information

Venue

Scandic Marina Congress Center
Katajanokanlaituri 6
00160 Helsinki
Finland

Information for speakers

Please put your presentation on a memory stick and bring it to the staff member in the symposium room (at the latest during the break before your presentation). The staff member will transfer the presentation to the symposium server and make sure your presentation runs smoothly.

At the end of the symposium, all presentations will be deleted so no copyright issues will arise.

Meals

Coffee breaks and lunches, as well as get-together at the venue on 6 November, are included in the registration fee.

Internet

Wifi is provided free of charge. Please log in to the Scandic Easy Net with your name and telephone number.

Certificates of Attendance

Certificate of Attendance can be downloaded after the symposium. All participants will receive an email with a link after the symposium.

Contact information

If you have any questions or need help during the symposium, please go to the registration desk.

Company presentations

ABIGO Medical

Stand 8

ABIGO Medical is the Swedish owner and manufacturer of Sorbact® Technology wound dressings.
Sorbact® Right from the start -
Prevents and treats wound infections by lowering the bioburden.

Malin Johansson • info@abigo.com • +46 31 748 49 50

Argentum Medical

Stand 7

Silverlon wound dressings create a broad spectrum antimicrobial effect by releasing high concentrations of Ag ions without staining, who will rapidly kill all known microorganisms, eradicating MRSA in as little as 4 hours and keeps working for up to 7 days.

Sieb Smidtman • ssmidtman@silverlon.com • +31 610624696

B. Braun

Stand 4

B. Braun is one of the world's leading providers and manufacturers of healthcare solutions today.

We are the right partner for those who challenge barriers of wound care in any sense – from prevention to healing.

With our range of products of Prontosan® and Askina®, we enable optimal healing for any type of wounds at every phase.

Thérèse Curien • therese.curien@bbraun.com • +33 1 41 10 75 19

Camp Scandinavia

Stand 13

Camp Scandinavia is a Swedish company in the orthopaedic business. Founded in 1954 and with subsidiaries in several European countries. Under the brand name "Allard International" we have customers in many countries worldwide.

More info at camp.se or allardint.com

Alexandra Jagrell • alexandra.jagrell@camp.se • +46 4225 2718

Coloplast

Stand 16

Coloplast develops products and services that make life easier for people with very personal and private medical conditions. Working closely with the people who use our products, we create solutions that are sensitive to their special needs. We call this intimate healthcare.

Lise R. Husted • dklrh@coloplast.com • +45 4911 2610

Company presentations

Elcos Medical

Stand 20

We proudly present, with more than 60 years of experience, VADOp[®]plex impulse pump system for enhancement of blood circulation in peripheral vascular disease & wound care.
